

## THE WORLD OF SPORT.

Musée Bowling League Series  
Opens Monday of Next Week.

## TWELVE CLUBS ARE NOW ADMITTED

Including Nearly All the Best Bowlers of the City—The Schedule has been Arranged—A Spring Race Meeting to be Held Here—Kid McCoy's Coming Fight at Memphis. Other News in the Field of Sport.

The Musée Bowling League is now complete with the twelve clubs that were needed. A schedule has been drawn up that will be submitted to the board of managers at a meeting, which will probably occur Tuesday or Wednesday evening. The schedule provides for games for every night of the week, excepting, of course, Sunday. All Monday, Wednesday and Friday games will be played on the up-stairs alleys, while those on Tuesday, Thursday and Saturday occur on the basement alleys. The only club that has a steady date is Pen and Pencil; this club plays every Saturday evening.

The season opens next Monday evening and the week's games will be as follows: Monday, Island vs Riverside; Tuesday, Eldorado vs The Bowlers; Wednesday, Nameless vs Daisies; Thursday, Quartered Oaks vs Independents; Friday, The Brownies vs Americans; Saturday, Pen and Pencil vs H. O. Richards.

The latest additions to the league were the Americans club, captained by John E. Scheele and the Daisies led by Colonel "Jim" Day of La Belle fame. President Statler, of the Musée alleys, is getting out a very neat hand book giving rules, schedule and blanks for keeping club and individual records that will be given free to all players.

## SOUTH SIDE LEAGUE.

There Will be Ten Clubs—Two Already Organized.

The summer season of the South Side Bowling League will probably open next week or the succeeding one. There will be ten clubs, says Secretary Handlan, and the season will continue eighteen weeks. This league may, like the Musée, abolish the practice game and have three championship games each evening. The games will be played on the Mozart park and Harvett Home alleys. Two clubs have already been organized, as follows:

Harvest—Wm. Fette, Fred Scheehle, Henry Xenke, George France, George Strippel, Joseph Bauman, Andy Halenstein, August Schubert. Captain, William Fette; board of managers, Henry Xenke and Fred Scheehle.

Musée—Albert Auber, George Patterson, Mike Vaughan, Fred Baother, Charles Krieter, William Laird, Albert Baker, George Boissinger. Captain, Albert Auber; board of managers, Albert Auber and George Patterson.

## GAMES ARRANGED

By the State University Ball Team—The Players Who Will be Selected.

Special Dispatch to the Intelligencer.

MORGANTOWN, W. Va., March 10.—Manager Carrigan, of the University base ball team, has arranged games as follows: With Western University of Pennsylvania, May 18; with Bethany at Fairmont, May 25; with Washington and Jefferson at Morgantown, June 8; with Bethany at Morgantown, June 12. Besides these the team will probably have a game with Marietta on Decoration Day at Parkersburg, and a game will be played with Holy Ghost college. The personnel of the team has not yet been announced, but it will be about as follows: Howitt and Lowe, pitchers; Sterling, catcher; Pastorius, short stop; Harding, first base; Shanley, second base; Reary, third base; Lawhead, left field; Beall, centre field, and Llewellyn, right field.

The team will be a stronger one than that of last year. One hundred umbrellas of old gold and blue, the university colors, have been ordered for the students to root with.

## MCCOY THE FAVORITE.

Will Meet "Shadow" Maber at Memphis Wednesday Evening.

MEMPHIS, TENN., March 10.—The Pastime Athletic Club to-day received from Danny Needham a challenge to meet the winner of the McCoy-Maher fight, which occurs here on Wednesday night. Kid McCoy says he will accept, win or lose.

Harry Finnck, who is training McCoy, to-day issued a challenge to meet Kid Hogan, of Cincinnati. For the Maher-McCoy fight both men are in good condition and actively training. McCoy is the favorite in betting here.

## As Sound as a Dollar.

The story going the rounds to the effect that Byron McClelland intends to retire Henry of Navarre to the stud is untrue. The horse will be raced this season should he stand training, and will meet the best of them in the principal events in the west. Navarre has had little work as yet, but McClelland will put him in pretty freely during the coming month. He has wintered well and is as sound as a dollar, having a good smooth coat and the best of legs and feet.

## The Ohio Trotting Circuit.

CANTON, O., March 10.—Dates for a new trotting circuit organized in Canton have been announced, as follows: Rockport, June 18, 19, 20; Canton, June 25, 26, 27; Youngstown, July 2, 3, 4. New Philadelphia and Canal Dover were rejected through a conflict of dates, and two cities are wanted in their stead. Akron and Warren will probably come in. James H. Kennedy, of Youngstown, is president, and A. M. McCarty, of Canton, secretary.

## The Colonists Win.

Galveston, Texas, March 10.—Chicago 9; Louisville 11.

## Another Kind of Weather.

The weather clerk seems to be having fun with the people in this valley. When they get used to one kind of weather, he introduces something else. Yesterday was a bright, warm spring day, and people rushed out into the country as if it were in May. Saturday a keen wind blew, but it was typical March weather. For to-day the prediction is clear and warmer, but that the weather is to be only time can tell.

## The New Cigarette Law.

Although the new State law assessing a license tax of \$500 a year on all dealers in cigarettes does not go into effect for some time yet, the boys who are addicted to the use of the sticks are already figuring on ways to secure their

supplies when the dealers are "frozen out." A popular idea is to order books of rice paper from points outside the state and make their own cigarettes. Another scheme is to form clubs and have original packages shipped from other states. It is safe to say that devotees of the weed in that form will not be deprived of their cigarettes. If every local dealer stops the sale of them.

## A SPRING MEETING.

The Wheeling Driving Club to Run a Meeting in June.

Some time ago the syndicate of local people that intended to run a trotting meeting on the new state fair grounds track in June, gave up the plan, for the reason, it was said, that Utman, the St. Louis bookmaker, would shortly build the track at Collier's station and run a running meeting throughout the summer. Information was received last week to the effect that Utman had given up this project. This being verified, the local people, among them being Messrs. Harry W. McLeure, Nate Fiel and Harry Wheat, decided to re-open negotiations for the track for the purpose of running their meeting. A meeting was held Saturday and the result is that the Wheeling Driving Club has secured the track for June 25, 26, 27 and 28, and will conduct a meeting that will bring most of the fast trotters and pacers here. The purses will foot up \$6,000, or \$1,500 each day of three or possibly four events.

The Canton people will run a trotting meeting on the same dates, but Mr. Fiel states that he does not fear a loss of patronage on that account, as the purses here will be much richer.

## Mr. and Mrs. Hobbs to Leave Wheeling.

Mr. and Mrs. John H. Hobbs will leave this afternoon for Boston, Mass. Mr. Hobbs has purchased an elegant residence in Dorchester, a suburban town close to Boston, and they will make it their future home.

Mr. Hobbs will always be remembered as one of Wheeling's most public spirited citizens, and his many business friends and the many personal friends of the family sincerely regret their departure. Mr. Hobbs' familiar face will be seen here occasionally, however, as his many interests and investments will necessitate his presence now and then.

Their son, Mr. Charles L. Hobbs, manager of the Blair Glass works, of Washington, Pa., spent Sunday with them at the Hotel Windsor.

## Death of Two Aged People.

Yesterday morning early, Thomas Petticoat died at his home on South Chapline street, at the advanced age of 86.

Mrs. Mary Miller died at her home on South Chapline street, Saturday morning, aged nearly eighty years. She was one of the South Side's oldest citizens, coming to Wheeling with her husband, J. George Miller, from Sinsdorf, Bavaria, in 1846. Six children survive her, Mrs. A. G. Ebeling, Mrs. W. H. Grabe and Miss Emma Miller, of this place, and A. E. Miller, of Bobo, Texas, Louis Miller, of Los Angeles, Cal., Mrs. Henry Weiss, of Perry county, O.

## The Eclipse Not Visible Here.

An eclipse of the moon was scheduled by the astronomers to occur last night, and it is reasonable to conclude that it did occur, but nobody in Wheeling saw it. The moon was visible early in the evening, but about the time the moon was due to enter the shadow dense clouds came over the sky and nothing could be seen. Many people were out in the early evening watching for the eclipse to begin, and were much disappointed.

## Prof. Ricci Married.

The hosts of friends in Wheeling of Prof. Riccardo Ricci, who conducted classes in vocal music here not long ago, will be interested in the announcement of his marriage in New York a few days ago. The bride was Miss Ross, late a pupil of the Royal Conservatory of Music, in London, and a very fine pianist. Mr. and Mrs. Ricci expect to visit Wheeling in a short time. They had been betrothed for several years.

## One Fugitive Recaptured.

Three of the boys sent to the workhouse last week for snowballing and stoning Wendel Bros.' stables, in the Fifth ward, escaped on Friday. All that anybody who wants out of that institution has to do is to watch his chance and go out. Last night Officer Schnupp recaptured one of the three fugitives, John, alias "Squinty" Coleman, and the other two will be brought back in a day or so.

## ECZEMA

From early childhood until I was grown my family spent a fortune trying to cure me of this disease. I visited Hot Springs and was treated by the best medical men, but was not benefited. When all things had failed I determined to try S.S.S. and in four months was entirely cured. The terrible eczema was gone, not a sign of it left. My general health built up, and I have never had any return of the disease. I have often recommended S.S.S. and have never known a failure to cure.

## Unbearably Miserable

Is the man or woman troubled with dyspepsia. Heart palpitations, sour stomach, heartburn, uneasiness of the nerves, oppression or a sense of emptiness at the pit of the stomach, are among its symptoms. Hostetter's Stomach Bitters eradicates it, and entirely overcomes constipation, biliousness, rheumatism, kidney and material complaints. Use this thorough remedy systematically and it will achieve permanent results.

"PERHAPS you would not think so, but a very large proportion of diseases in New York comes from carelessness about catching cold," says Dr. Cyrus Edison. "It is such a simple thing and so common that very few people, unless it is a case of pneumonia, pay any attention to a cold. There are a great many cases of catarrh and consumption which have their origin in this neglect of the simplest precaution of every day life. The most sensible advice is, when you have one, get rid of it as soon as possible. By all means do not neglect it." Dr. Edison does not tell you how to cure a cold, but we will. Take Chamberlain's Cough Remedy. It will relieve the lungs, aid expectoration, open the secretions and soon effect a permanent cure. 25 and 50 cent bottles for sale by Charles R. Goetze, Will W. Beware of Ointments for Catarrh That Contain Mercury.

As mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally, and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free.

## Her Appearance

speaks louder than words. She doesn't use Pearlina. She's worn out with hard work, Household drudgery, you can see, has told upon her. Possibly you are a woman who is going the same way. Now, these are days when such things needn't be, for most women. Labor savers are all around you, and, for woman's work, Pearlina heads the list.

Take advantage of the hints of science. They are broad enough to the bright, and they help the lowest kind of work as well as the highest. In every sort of washing and cleaning, let Pearlina help you.

Send Peddlers and some unscrupulous grocer will tell you "this is as good as" or "the same as Pearlina." IT'S FALSE—Pearlina is never peddled, and if your grocer sends you something in place of Pearlina, be honest—and it back. JAMES PYLE, New York.
